### **6/7 Girls Competitive Division**

- the season is comprised of 7 weeks
- there are 7 play-dates, including the first date for Exhibition, and 2 dates for play-offs
- teams have been placed into pools according to geography as much as possible
- schools with multiple teams have been separated into different pools (RED, BLUE)
- both pools have a balance of (1) and (2) teams
- the schedule is perfectly balanced, so that everyone plays everyone in their pool, then advances to play-offs based on Round Robin results
- all no-host requests have been accommodated. Contact League Commissioner immediately if there is a scheduling issue.
- important: the first week of play is exhibition, NO scores necessary
- Play-offs will take the final 2 days
- Play-off details are included after the League schedule

### **LEAGUE SCHEDULE:**

- a match is comprised of 2 sets, each set played to 25 points (win by 2 points, NO cap)
- Home/Host team plays first and last if there are 3 teams
- schools with 2 courts (and more than 1 team entered in the Comp. league) may host 2 separate 3-team jamborees simultaneously
- \*posted signs labelling Court 1/Court 2 may be helpful
- \*including a schedule of games at each score table will also be helpful
