

Lansdowne Middle School  
**This Week @ Lansdowne**  
Week of September 25 to 29, 2023

## FROM YOUR LANSDOWNE PAC

Our first Lansdowne PAC meeting of the year is coming next week, Tuesday September 27 at 6:00 pm

Please meet with us in the North campus library to share and plan, and be kept up to date by school administrators. If you haven't been to the library before it is a comfortable hang-out spot that students love. Come see why!

The PAC meeting is your opportunity to support, encourage and improve the well being of all Lansdowne students. Hope to see you there on Tuesday.

Reach out to Bijan or Gareth (Lansdowne PAC Co-Chairs) if you have any questions, suggestions, ideas, or just want to get involved. [LansdownePAC1@gmail.com](mailto:LansdownePAC1@gmail.com)

Thanks to all the families that attended the Meet the Teacher night Wednesday evening. It was great to see everyone return to the school and fill the halls with energy and excitement. I know the commute between buildings was an added challenge but we hope the Food Trucks were a welcome addition. We really enjoyed having food together and mingling with families before and after the meetings. Have a great weekend.

SAFER  
SCHOOLS  
TOGETHER

Parenting is hard, and the rapid rise of technology and social media use in the lives of their kids makes it harder. To help, we're inviting you to access **Raising Digitally Responsible Youth - A Parent's Guide** from Safer Schools Together.

The guide was designed to help introduce Parents and Caregivers to leading social media platforms, video games, and relevant trends that are either being used already or have the potential to be used by their children.

This guide is full of tips, how-to's and definitions for the most widely used apps - including TikTok, Snapchat, Instagram and more. Best of all - it's complimentary.
