STUDENT ATTENDANCE

We wish to be sure that all our students are safely accounted for on a daily basis, so please contact the school office – (250) 592-2170 for Grade 6 and (250) 598-3336 for Grade 7 & 8 – if you know that your child will be absent or late. Regular and timely attendance are also key factors for educational success. If your child is frequently absent and/or late to school, we will be contacting you to discuss these matters. Working together, we hope to ensure that all of our students attend regularly and on-time so that they can fully reach their potential.
