

Lansdowne Middle School  
**This Week @ Lansdowne**  
 Week of October 7 to 11, 2024

**Grade 6 Immunizations**

Immunization consent packages for grade 6 students will be sent home shortly. Follow the instructions inside the consent package and return the signed consent form to the school as soon as possible. Students in grade 6 will be offered immunizations in school-based clinics with the consent of a parent/guardian/representative.

**If your student has immunization records from out of province or country, please make a copy to be included when the consent forms are returned.**

Immunizations will be provided at the school for grade 6 students on November 7.

Contact the Victoria Health Unit at 250-388-2200 if you have any questions.

**Hot Lunches Begin on Monday, October 7**

Occasionally we have a few extra hot lunches available so if you missed the hot lunch deadline, you can send money with your child. At the lunch bell they can go to the Lunch Room next to the Office at the South Campus or Room 109 at the North Campus to purchase one. As there are very limited extras, please ensure that they have a lunch from home as well.

**UPCOMING DATES**

# Future Innovators: Empowering Women in STEM

Island Women in Science and Technology would like to invite you to join them for an inspiring evening with our panel of women in STEM. We are bringing together future innovators from middle school, high school, and post secondary along with professional women in STEM for a candid conversation about their STEM careers.

## Future Innovators: Empowering Women in STEM

Tuesday, October 22nd 6:30 - 8:30 pm  
Vic High School

Join us for an inspiring evening about STEM careers.  
All are welcome.

**Jennie Christensen** PhD, RPBio
