## INCLEMENT WEATHER SCHOOL CLOSURE INFORMATION

We are now in the season when inclement weather may affect the safety and welfare of students. In particular, snowy weather has the potential to cause school closure or some School District 61 services to be suspended.

During inclement weather, information about schools will be updated continuously on the Greater Victoria School District 61 website at <http://www.sd61.bc.ca/>. Within the Greater Victoria School District, the Superintendent of Schools, Deb Whitten, will provide media outlets with information about the status of our facilities and transportation services by 6:30 a.m.

Hello Families,

Once again this year, Lansdowne will enter a school team in the **Times Colonist 10km** taking place on **Sunday, April 27th, 2025**. As part of the training, we'll have a school run group that will start up late February; stay tuned for more info on this!

We wanted to let you know that early bird pricing for the TC 10km is available now until Jan. 31st. The early bird pricing for school teams is \$54 (this includes a technical t-shirt). We invite students and families to join!

If you and/or your student are interested in registering for the TC 10km with the early bird price, please follow this [LINK](#). When you register, select "**Students & Teachers on TC10K School Teams**". Once you're registered, you can join the "Lansdowne Flyers" team!

### 2025 TC10K - Where Everyone Is Welcome — RunSport
