**CURRICULUM COMPLETION AFTERNOON**  
**WEDNESDAY, FEBRUARY 18**

All ten middle schools in the Greater Victoria School District schedule 1.4 Curriculum Completion Days during each school year. These days are intended to provide additional time and opportunity for students with overdue or unsatisfactory school assignments to successfully complete their school work prior to each report card.

Lansdowne's Curriculum Completion sessions will run at both Campuses from 11:40 a.m. to 2:50 p.m. on:

Wednesday, February 18

Tuesday, June 2

Please mark these dates on your calendar. A letter will be sent home with each student in advance of the curriculum completion session. Advisory teachers sent home a letter on Wednesday, February 8<sup>th</sup> informing families whether a child is required or not required to attend the CC session. Should this requirement change prior to February 18<sup>th</sup>, you will receive a phone call from your child's advisory teacher.

On these CC days, all students are expected to come to school in the morning as usual. Beginning at 11:40 a.m., students required to attend will be organized into various locations to complete overdue or unsatisfactory assignments under the supervision of teachers and educational assistants. Students who are not required to stay for the CC session will be dismissed at 11:40 a.m. unless we hear from you that you would like your child to stay at school even though current requirements are being met. In that case, your child will be provided with a quiet and supervised location to read and/or work quietly. More detailed information will be provided in the letter sent home in advance of each CC session.

**PLEASE NOTE -**  
**THERE IS NO PIZZA HOT LUNCH ON THIS DAY**

Calling all runners! If your student wishes to train for the 2026 TC10K with the school, practices will be starting next week on Tuesday after school. Permission forms are available in the office at both campuses. As well, it is not too late for students and staff to sign up under our Lansdowne Flyers team. Follow the link here (<http://raceroster.com/events/2026/104489/37th-annual-tc10k-powered-by-runsport/register?team=885940>) to sign up. Happy running!
