

Lansdowne Middle School
This Week @ Lansdowne
Week of May 25 to 29, 2026

CURRICULUM COMPLETION AFTERNOON
TUESDAY, JUNE 2

Lansdowne's last Curriculum Completion session of the school year will run at both Campuses from 11:40 a.m. to 2:50 p.m. on:

Tuesday, June 2

Please mark this date on your calendar. A letter will be sent home with each student in advance of the curriculum completion session. Advisory teachers will be sending home a letter on Tuesday, May 26th informing families whether a child is required or not required to attend the CC session. Should this requirement change prior to June 2nd, you will receive a phone call from your child's advisory teacher.

On these CC afternoons, all students are expected to come to school in the morning as usual. Beginning at 11:40 a.m., students required to attend will be organized into various locations to complete overdue or unsatisfactory assignments under the supervision of teachers and educational assistants. Students who are not required to stay for the CC session will be dismissed at 11:40 a.m. unless we hear from you that you would like your child to stay at school even though current requirements are being met. In that case, your child will be provided with a quiet and supervised location to read and/or work quietly. More detailed information will be provided in the letter sent home in advance of each CC session.
