PARENT CONNECT INFO & LINK

Parent Connect is the Greater Victoria School District online service used for signing digital forms and providing consent for use of digital tools in the classroom. Please log in (or sign up if you haven't done so already) to Parent Connect and review the consent items where action is required. Additionally, you are encouraged to review items that you have previously consented to by selecting "Forms" in the menu. Consent for all forms and digital tools rolls over from year-to-year.

New for September, Student Information Verification Forms have been made digital through the Parent Connect portal. This form will appear as an "action required" item on the Parent Connect dashboard for any student(s) belonging to the parent. A verification form for a student only needs to be submitted by one Parent/Guardian. Additional updates can be made by any Parent/Guardian at any time. File upload buttons are available for court order, immigration and address changes.

Lansdowne's Terry Fox Assembly and Event was a big success this afternoon.

All grades 6, 7 and 8 students came together for a student led assembly and then participated in a run together.

During the assembly, students and staff were reminded about who Terry Fox was, his motivation behind the Marathon of Hope, and the lasting legacy his courage, determination and perseverance has made.

This year marks the 45th anniversary of the Marathon of Hope and during that time the Terry Fox Foundation has raised over \$1 billion dollars for life-saving cancer research. This tremendous level of support was sparked by Terry's dream and kept alive through his legacy all thanks to the contributions of millions of volunteers, supporters, and partners across Canada.

Lansdowne has set a goal of raising \$1000 this year and if you family is in the position to donate please know that every cent counts.

Tuesday will be the last day for students to give their donations to their Advisory Teacher- loonies and toonies are most welcome!

We are hoping to buy some chess boards and crochet supplies for our library clubs as well as new books. Lots of prizes and incentives for students to sell books to people they know. Books will come home with grade 6 students the week of September 21st and will go until October 2nd.
